## TESTS

**Spelling:** Friday, January 27, Unit 19

**Social Studies:** Wednesday, February 1, chapter 7 ~ this is a tentative date

## ACCELERATED READER

Those that read an Accelerated Reader book were able to take the test this week. Keep reading!

## HEALTH

Most students know the six basic nutrients. They are working on learning what each does for our bodies and one food that contains the nutrient. Students have worked in small groups to create songs, chants, etc. to help them learn all the information. I hope to video tape each group and have it running on the Smart Board for Open House, February 5.

## AUSTRALIA

The web quest is on Poraportal on the St. Brigid website. Students can use free time in school to complete this. They are also permitted to work from home.

## NEW STUDENT

We welcome **Isaac Fallis** to our classroom. The students are very excited to have him join us and have been welcoming to him.
