

Book report associated with the auto/biography – 7th

- ❖ You are to complete a book review of the novel chosen. You are to have a one-page typed paper (single spaced, 12 point font) about the book that you chose on the life of the person. NOTE: I will take off points for less than ONE full page.
- ❖ You are to use three props from the time period of the novel in your presentation. Each book report must have at least 3 items of relevance to the novel.
- ❖ You are to present the biography using the props.
- ❖ You are to have a hand-drawn picture of the person from your biography/autobiography

(For instance, if my novel were Betsy Ross, I might have an American Flag, a needle and thread and some sewing pieces. I would also have a nice picture of Betsy Ross sewing the flag)

The book report is due on the 22nd of November for presentation.
