-----cut and save letter -----

We had a busy week working on timelines and poetry books. Students should be preparing their African American speech at home with your help. **100's Day** is Wednesday; students should bring in 100 items that fit on their desk for display. Remember the Open House, Sunday, February 5 at 12:30.

**Friend of the week- Braeden Shelek.** Students learned singular and plural possessives. We began a new novel, Hundred Dresses. Each student was given an accelerated reading goal for the third quarter.

**Test on Chapter 4-nutrition on Thursday.** There is a lot to study for this test. Students should study a little each night.

- Students are learning the location of all 50 states. There will be a test next week over the states. Students may take the test as many times as necessary to earn an A. Check out the portaportal link on Mrs. Hartz's page on the school website for fun games to help learn the states and capitals.

- We are beginning a chapter on measurement.

- We learned more about the sacraments of initiation. As part of Catholic Schools Week we are collecting unused or broken rosaries. They will be sent to the missions through the Beads for Peace program. Please send them in to school.
