

## Parent Newsletter

Monday, August 30, 2010

The 2010-2011 school year is off to a great start, and I am very hopeful that it will continue to be a great year! It was good seeing so many of you at the Meet the Teacher sessions.

**One Call:** The final updated list was completed and sent today to One Call! It takes 24-48 hours for One Call to update their database. After I receive word from them that our information has been received and updated in their system, I will make a "test" call; you will be notified via e-mail when I will do this. Hopefully, the "test" will be sent Thursday or Friday. If you have any issues with receiving messages, especially on your cell phones, please let me know.

**Parent/Student Handbook:** The revised handbook was sent to the printer today. I will let you know when we send it home with your oldest child in the school.

We appreciate those who have called the school by 9:00 A.M. to inform us if any of your children will be absent due to illness.

**Mumpkins:** If you have more than one child in the school, it is NOT necessary for all of them to sell a mumpkin in order to receive an out-of-uniform pass. One sale in the family is sufficient for ALL your children to be out of uniform on the appointed day. Students are NOT encouraged to go door-to-door asking people to order a mumpkin!

A big THANKS to PIE for treating the students with ice cream sandwiches during lunchtime on Friday.

Physical Education Reminder: Students are to wear tennis/athletic shoes during PE class.

### Upcoming Events

- **Wednesday, Sept. 1: Mass at 8:15 AM. The eighth graders will give their commitment to be role models and to show leadership for the student body.**
