

Dear Parents,

The annual St. Brigid Fish Fry will take place on Friday, March 26, 2010 beginning at 6:00pm and we need your help.

This fun filled evening of great food, drink, and games of chance is topped off with a raffle of many amazing baskets and packages.

Much of the profits of the Fish Fry go towards St. Brigid School including the athletic programs. Such an event can only be successful with many volunteers to help with the setup and throughout the evening. We ask that you donate two to three hours of your time to help at the Fish Fry. There are a variety of shifts available to suit your interests and talents.

Please return the form by Friday, March 5, 2010 to reserve the best times for you before we have the general signups. If you have any questions about the Fish Fry, please don't hesitate to contact myself or one of the booth chairpersons.

Thank You,  
Greg Austria (937) 372-7494
