

# Classroom News

Teacher: Ms. Kim

Date: Feb. 3, 2012

## Catholic Schools Week

In honor of Catholic Schools week, all of the classroom doors in the school have been decorated using a rosary theme.

The preschool children shared in the creation of our rosary display on our classroom door.

Throughout the week, we will be talking about the different things on the door. We will also use the different prayers through the week during our circle prayer time.

## The Power of Jesus

We talked about the power of Jesus this week. We made an art project that helped us remember that Jesus can make our stormy days sunny. We talked about stormy days being those where we spill our milk at breakfast or mom's car won't start to take us to school. We talked about how Jesus can help calm us when we face these "storms."

## Over and Under

We are learning new words this week. These will soon be on our sight word wall. The words over and under spotlight the letter O and Letter U. We also will be using these to reinforce positional word ideas in our vocabulary and body movement. We have already used these words when sewing the power of Jesus art earlier this week.

## Father and Child Science Night

In last week's newsletter, I put the incorrect ending time for the Father and Child Science Night that is Feb. 9, in the lunchroom. The correct time is 6:30 to 8:00. Sorry for any confusion this may have caused.

## Open House

Don't forget about the open house this Sunday, February 5, from 12:30-2:00. The entire school will be open for this event. Bring a friend or neighbor and spread the good news about St. Brigid School.
